TIPPING POLICY

We are proud to replace the traditional tipping model with a universal hospitality charge to provide an elevated and fair living wage for all team members, a professionalized pay scale, and a sustainable business model. A 20% hospitality charge will be added to all checks. Pursuant to Minnesota Statute §177.23, Subd. 9, this charge is not a gratuity for direct employee service and is not the property of an employee. Voluntary tipping is still acceptable and greatly appreciated but is NOT expected.
